

# Minibob

assembly instructions

Thank you for choosing our Minibob sled from the Classics series.

The Minibob is made of **high-quality cold- and light-resistant plastic**. It is **TÜV Service tested** and **made in Germany**. Its **ergonomic seat and contoured footrest** provide secure support. The brake handles on both sides and wide contact surface provide **maximum safety even at higher speeds**.

**For children aged 5 and up. Maximum load capacity: 50 kg.**

The assembly instructions are provided below. **All you need is a hammer.**

If you have any questions, please do not hesitate to contact us:
